**RECOMMENDATION:**

Approve extension of Snow Removal Contract with Nordic Village Supply for Area V for a term of two years.

**SUMMARY STATEMENT:**

This was a two year contract with a onetime two year renewal option, which may be exercised by the City contingent on funding and approval by City Council.

The Public Works Department has contacted this contractor with its intentions to exercise the two year renewal option which Nordic Village Supply accepted. This decision was based on receiving minimal complaints, and a quick response to complaints that did come in. During the past two snow seasons Nordic Village Supply has demonstrated their ability to provide quality snow removal services in accordance with the terms of their contract.

Area V encompasses: Nordic, Alpine Woods, Fire Station 4 and the Fire Department Draft Well.

All terms and conditions contained in the Snow Removal Service Contract dated the 25<sup>th</sup> day of September, 2014 will apply to this extension and run from October 15<sup>th</sup>, 2016 to June 15<sup>th</sup>, 2018.
