RECOMMENDATION:

Approve Ordinance #17-04 Amending Title 17 of the Valdez Municipal Code Related to Breweries, Wineries and Distilleries at second reading for adoption.

SUMMARY STATEMENT:

For the past couple of years individuals in Valdez have expressed an interest in opening breweries in the community. Despite having had one in Old Town, New Town has yet to be home to any commercial “adult beverage” developer. Late last fall the City received notification of an application for a brewery through the Alcohol Beverage Control Board (ABC Board). The ABC Board is required to provide notification of intent to issue or renew a liquor license to the local government body for the purpose of providing an opportunity for the governing board to comment or object to the issuance of the license by the ABC Board. The Council voted to express no objection to the application pending amendments to the zoning code. Currently breweries are not allowed in any zoning district.

The attached ordinance amends Title 17 (Zoning) of the of the Valdez Municipal Code to allow Breweries, Wineries, Distilleries and Brew Pubs as permitted uses in the Central Business and General Commercial Zoning Districts. It also provides for Breweries, Wineries, and Distilleries in the Light Industrial Zoning Districts, also as permitted uses. The definitions of these four types of facilities are included in the definitions section of the zoning code through adoption, by reference, of the existing State definitions. The definitions and descriptions of all four facilities are outlined below in this agenda statement.

The three zoning districts contemplated for change encompass significant areas around the community. Notice had to be sent to everyone owning property within a 300-foot radius of the different zoning districts. The mailing was sent to more than 500 commercial and residential property owners.

The Planning & Zoning Commission held a public hearing on this amendment to the zoning map on February 8th. The Commission received no public comment on the matter. The Commission took action on the amendments on February 22nd. There was no public comment during the discussion of this item. There were only four Commissioners in attendance at the meeting. The motion failed with a vote of 3 Yeah/1 Nay. The Commissioner who cast the dissenting vote did not provide an explanation prior to the vote.

These proposed amendments are in conformance with the Comprehensive Plan as follows:

The overall goal of the Comp Plan states: "To create an atmosphere that will encourage stable economic development in Valdez while enhancing the quality of life. Improvements should be made to all elements that give the community its' character. This would include enhancing the economic productivity and diversification of the region to assure continued economic prosperity; providing for public safety and the economic welfare of the community when siting future industrial, commercial, residential, and public land uses; enhancing the scenic beauty, uniqueness and historic significance of the Valdez area; and opening up new land for residential, commercial, and industrial land."

Goal - Economic Development: Encourage the development of a broad-based economy in Valdez.

Objective - Strive to create an atmosphere in the community that is conducive to commercial and industrial development.

Goal - Commercial-Business Land Use: Provide safe, convenient, and attractive business areas that do not unduly create traffic, lighting, noise, or other unnecessary impacts on adjacent residential neighborhoods.

Goal - Industrial Land Use: Provide for industrial land uses so that they limit impacts on adjacent land uses and the environment, and yet have safe and convenient access to the major transportation facilities they require.
