SUMMARY STATEMENT:

- This one-hour workshop is the annual Permanent Fund discussion with Council.
- City's Investment Advisor, Alex Browning, from Callan LLC will join remotely. Normally Mr. Browning makes a site visit, but recent developments made travel seem inadvisable to Callan, staff, and some Committee members.
- Workshop is a high-altitude view of the Fund and its history and purpose, presented by Mr. Browning. There will likely be abundant time for Council Q&A, as well as interaction with Permanent Fund Committee.
- Staff will also present simple modeling of Fund growth rates, appropriations, and future income scenarios.
